**DOCKET NO. 2010-50-E**

**DUKE ENERGY CAROLINAS,  
LLC'S MOTION FOR EXTENSION  
OF TIME TO OFFER HOME ENERGY  
COMPARISON REPORT PILOT  
PROGRAM**

If the HECR Pilot Program's results are encouraging, the Company plans to present this Commission with a permanent HECR Program tariff for approval. However, the HECR Pilot Program is set to expire on April 30, 2011, and the Company's permanent HECR Program will not be ready for review until late 2011 or early 2012. This will leave a gap in time when Duke Energy Carolinas will be unable to offer comparison reports to customers for several months. Because customer energy savings may decline without regular energy

comparison reports, Duke Energy Carolinas would like to extend the HECR Pilot Program until the Company is prepared to propose a permanent HECR Program tariff. Thus, pursuant to 26 S.C. Regs. 103-829, Duke Energy Carolinas hereby requests from the Commission an extension of time to April, 30, 2012, in which to offer its HECR Pilot Program. The Company also requests the Commission grant this extension with the flexibility of termination should the permanent HECR Program obtain approval prior to the pilot program's end date. The extension will allow customers to continue receiving their energy comparison reports and retain their savings, and provide the Company needed time to fully prepare a more permanent program.

WHEREFORE, for the reasons set forth above, Duke Energy Carolinas respectfully requests the Commission grant an extension of the HECR Pilot Program from April 30, 2011 to April 30, 2012.

Respectfully submitted this the 9<sup>th</sup> day of February 2011.
